

DOWNTOWN SPRINGDALE ART WALK - APRIL 25-27, 2024

Q&A

Does DSA provide insurance?

No. Artists are required to provide their own insurance.

Does DSA provide support for installing artwork?

Artists should contact their hosts to discuss the space and how their artwork should be optimally displayed.

What marketing or messaging support do you provide?

DSA provides a digital map of the businesses and organizations hosting artists. We also add links to the artists' websites and/or Facebook pages on that map. You can find the map [here](#). We encourage artists to prepare an artist statement and object labels to enhance their presentation.

When will installation take place?

Artists should contact their hosts to discuss the best time to install their artwork. All installations should be complete and artists should be set up no later than Friday by 4:30PM.

Do we expect artists to be present at ART WALK?

Yes, we do! And please be sure to join us on Thursday night at the Artist Meet & Greet during the LIVE! At Turnbow concert on the patio at Rein Hibachi & Sushi.

When is artwork to be removed from the host location?

Artists should contact their hosts to discuss the best time to remove their artwork.

Can I sell my artwork?

Yes, and we ask artists to be present for any sales so they can receive proceeds directly. Please let your host know if your works are for sale.
